FIELD TRIP: THE GEOLOGY UNDER OUR FEET

– Join us for a
free field trip prior to the conference
on July 23rd from 1:15-4:00 PM.

We will travel to a nearby gravel pit
(about a 25 minute drive) to explore
the make-up of the Ogallala aquifer.
You'll gain an appreciation for the
origin, magnitude, composition, and
importance of this massive geologic
feature that has Biblical flood
implications.

Space is limited.
